Mail Stop: Amendment

Dear Sir:

In response to the Office Action mailed on August, 20, 2003, in connection with the above-identified patent application, Applicants respectfully request that the application be amended as follows. Applicants have also included herein a petition to revive the present application due to an unintentional abandonment. Applicants respectfully request that the Application be revived and that the amendment be entered. Applicants believe that no petition for extension of time is needed, however, if an extension is needed the Director is authorized to grant the extension and to debit the appropriate fee from Deposit Account No. 50-1275.
